Choose our in-depth individual parent-coaching:

8 weekly sessions of one hour based on our Seven Ways method leading to deep and lasting change. The sessions are by phone or face to face and are held over 8 to 10 weeks. You create 3 outcomes that you personally would like to achieve as part of the program and they form the basis for the coaching. You receive an individual parent-coaching manual. If you would you like a taste of our intensive one-on-one individual coaching program, try our 1 hour introductory phone session.

Do you live in an area where it is difficult to access parenting support? Would you like to access support from home?

Individual parent-coaching: A one hour phone/Skype coaching call.

Parent-coaching for 2 or 3 parents: A one hour Skype coaching call for 2 to 3 parents.
